PROFESSIONAL EXPERIENCE

MGCom | *Digital agency with a focus on marketing* | Moscow, Russia

FRONTEND WEB DEVELOPER (03/2021 – present)

Main tasks:

- Developing landing pages with responsive and cross-browser layout (*HTML, CSS, jQuery, JavaScript, SCSS/SASS, Bootstrap, Tailwind, React, Redux, Figma*)
- Creating and updating website components (*HTML, CSS, jQuery, React, JavaScript, Redux, SCSS/SASS, Bootstrap, Tailwind, AJAX*)
- Optimizing page loading speed (*PageSpeed, Lighthouse, DevTools*)

Secondary tasks:

- Building and modifying websites using Tilda (*HTML, CSS, jQuery, JavaScript, Tilda*)
- Developing Telegram bots (*Node.js, telegraf.js, grammY, AJAX, Telegram Bot API*)

Achievement:

- Contributed to a 30% increase in successful tenders by implementing modern technologies and optimizing page loading speeds.
- Successfully opened a new customer acquisition channel by developing Telegram bots for marketing purposes, delivering 10–15 bots over the past two years.
- Quickly mastered the Tilda platform, which now accounts for 10–15% of the company's projects, expanding the service portfolio and attracting new clients.
- Helped increase the customer base by 3–4 times by effectively handling assigned tasks as part of a dedicated team.

AMBER | *Digital agency focused on SEO promoting websites* | St. Petersburg, Russia

TEAM LEAD SEO (02/2019– 03/2021)

Main tasks:

- Conducted technical site audits and provided recommendations for improving performance and loading speed (*Screaming Frog, Yandex.Webmaster, PageSpeed Lighthouse*)
- Prepared technical specifications for copywriters and reviewed SEO texts for websites
- Configured analytics on websites (*Google Analytics, Yandex.Webmaster, Yandex.Metrica*)

Secondary tasks:

- Trained new employees
- Managed projects and delegated tasks among team members

Achievement:

- Developed a checklist for website SEO optimization, speeding up the evaluation process based on standard criteria.
- Led a team of 2–4 specialists (depending on workload) and simultaneously managed 15–20 projects.
- Helped improve clients' website rankings in search results by 10–30%, depending on the niche's complexity and competitiveness.
